Healthcare Division

HIPAA COMPLIANCE

Whether you're reducing risk, onboarding staff, or refreshing staff knowledge—ensure HIPAA compliance is top of mind with Litmos Healthcare Division education.

HIPAA Compliance Education

Remove the burden and doubt of accuracy in your HIPAA training by enrolling your employees in Litmos Healthcare Division's HIPAA education. Now on its tenth version, you will know all staff members are up-to-date on the latest rules and regulations.

Expert Authors

Authored by Litmos Healthcare Division, a nationally-recognized HIPAA expert, then carefully reviewed by a leading healthcare law firm, Version 10 is a comprehensive course that meets all current HIPAA requirements.

New This Year

New regulations have placed more emphasis on internal and external auditing, as well as how PHI breaches have and could occur; Version 10 expands on these areas. Additionally, the new review question format allows employees to test their knowledge along the way. PC, Mac and tablet-friendly.

The potential cost of breaches for the healthcare industry could be as much as

\$5.6 billion annually*

Features & Benefits

Comprehensive

Written by nationally-recognized experts and contains what is required with no legal jargon.

Optional Audio

Choose from interactive audio or non-audio courses, for the same low price.
