COMPLIANCE FOR CLINICS

Quickly and easily complete all your mandatory compliance staff education in one place.

## Mandatory Compliance Education for Clinics

Tired of doing stand-up staff training year after year? Let Litmos Healthcare Division's Mandatory Compliance Education remove the heavy burden of compliance training off your desk.

### 1 Standard Program

This package includes everything you need to meet your annual federal requirements along with our standard student tracking:

- HIPAA Privacy and Security
- OSHA : Exposure Control
- OSHA : Emergency Preparedness
- OSHA : Patient Safety
- OSHA : Minimizing Workplace Injuries
- Healthcare Fraud, Waste and Abuse
- Red Flag Rules Awareness

### 2 Select Program

This program includes all the mandated compliance topics above and student tracking and reporting, plus the following education topics and customization options:

- Preventing Harassment & Discrimination in the Workplace
- Sexual Harassment Prevention

### No More Worries

- Content is accurate and up-to-date
- The delivery is self-paced and fully online
- Individual training sessions are documented and audit proof
- Costs are far less than consultants and office down time

Litmos Healthcare Division relieves you of many responsibilities, allowing you to focus on what matters most: patient care. It's now easier than ever to fully meet your compliance staff education requirements. Choose the Standard or Select program. See program details to the left.

### Option to Customize Courses

You also have the option to modify any of our courses. Easily add additional course pages, add links to the web or your documents, and remove pages that aren't relevant to your clinic or practice.

### Affordable and Flexible Billing Options

Each program has a low, fixed cost, much less than traditional classroom training and consultants. Choose from annual or monthly billing.

### Feel Secure in Your Compliance Education

This is the most up-to-date and effective eLearning available. All our compliance courses are written and maintained by highly qualified healthcare professionals. Each course covers exactly what your staff needs to know, with no wasted time on legal jargon.

### Login, Learn, Done

If you have a computer with internet access, you're ready to train, no matter how many staff members you have. Courses are 100% online, which means there is no software to download or maintain.
