# SAP Litmos

## Training Content

### healthcare edition

This library contains healthcare compliance and revenue cycle content for the US (formerly BridgeFront).

#### Updated courses 3

We are working on translating our courses into various languages in 2020. Under each course description, you will see which language translations are available for that course.

EN - English  
SP - Spanish  
DE - German  
FR - French

To gain access to courses that aren't part of your library, please see your Account Manager.

#### NEW COURSE

#### GENERAL UPDATE

Content or functionality has been updated. It's not necessary to reassign new versions to users who have completed the previous version recently. Update enrollment rules and learning pathways with the latest version.

#### LEGAL UPDATE

The legal content has changed. We recommend you assign learners to the new versions, even if they have recently completed the previous version. Update enrollment rules and learning pathways with the latest version.

**TRANSLATION** The content hasn't changed, but the course has been translated to a specific language. .

## Updated courses

### **Controlling Violence in Healthcare 3.0 (US)**

This course helps employees to recognize and respond to potentially violent situations in healthcare settings. Learn the risk factors for violence, workers' responsibilities in those situations, and the steps that can be taken to control violence.

 | 60 Minutes | EN

### **Annual Healthcare Compliance Refresher 2.0 (US)**

Learn about how a compliance program can effectively establish a culture where healthcare laws and regulations are proactively adhered to. This course also covers major healthcare laws and key components of an effective compliance program.

 | 30 Minutes | EN

### **Documentation in the Medical Record 3.0 (US)**

Accurate and timely medical record documentation is an essential part of healthcare. The medical record verifies that a healthcare facility has provided care; it also communicates with other healthcare professionals involved in a patient's care. Effective documentation is not only a professional obligation for those working in healthcare, it can also serve as a legal document and be used for research. Learn the purposes of documentation, the commonly used formats, and the dos and don'ts of charting.

 | 30 Minutes | EN

### **Workplace Safety - How Employees Can Ensure a Drug-Free Workplace 3.0 (US)**

Substance abuse in the workplace is a serious problem. Workplace safety involves keeping the work environment drug-free. Learn strategies for maintaining a drug-free workplace and steps an employee can take if they suspect or are impacted by substance abuse.

 | 30 Minutes | EN

## Updated courses cont.

### **Workplace Safety - How Managers Can Ensure a Drug-Free Workplace 3.0 (US)**

Managers and supervisors play an important role in addressing the risks associated with drugs in the workplace. Learn strategies for implementing a drug-free workplace program, and steps to take if someone in the workplace is affected by drugs.

 | 30 Minutes | EN
